About Gifted Unique

Welcome to our new line!

I am a designer based in NYC and love all things design. 10 years ago, I discovered my passion for hand-crafted jewelry created by amazing artisans. I found special pieces for my friends and family, as well as private clients. In 2017 we launched Giftedunique.com.

My passion for design grew, especially in the area of semi-precious and precious gemstones. I am excited to introduce you to my own line of precious and semi-precious necklaces and bracelets. We believe in pricing our designs so that everyone can afford something they love. My favorite thing to do is create one of a kind pieces especially for you!

Gifted Unique also donates 10% of all profits to foundations around the country. If you have a cause that you would like us to support, please let us know and we will do our best to accommodate you. We are happy to donate a portion of your purchase to a charity of your choice.

Kind regards,
Lori Dean
