 Gifted Unique

ABOUT GIFTED UNIQUE

I am a NY-based jewelry designer. Gifted Unique started because many of my friends loved the jewelry that I designed as well as found and curated from other designers. I'm especially good at creating custom diamond pieces that are affordable. I have direct contact with diamond dealers from around the world and don't have the middleman costs as do other well-known designers or stores. If you can't find what you like, just let me know and I will help you find the perfect gift, in time for the holidays or for any occasion!
